TRAINING CAMP:

From 23 to 26 April 2026, this event invites cycling enthusiasts to enjoy the beautiful surroundings of the island of Krk. Offering an extraordinary blend of scenic routes, expert guidance from Damjan Zupanc and socialising with fellow cyclists, this four-day experience is a must for anyone who loves cycling. Join the excitement and adventure on the pedals on the stunning island of Krk! As Zupanc himself points out, "What I particularly like about the race itself is the profile of the course, which is truly intended for everyone. It is not too demanding, it allows the race to be participated in and enjoyed primarily without priority for results. However, for the most prepared cyclists, there are challenging aspects that will make the course interesting and difficult." Amidst the stunning backdrop of the beautiful Adriatic coast, participants have the opportunity to enjoy the sea, bikes and the company of other sports enthusiasts. Mia's quote perfectly describes the essence of the event – a celebration of cycling where everyone, regardless of skill level, can find joy in riding. The support of BikeFriendly hotels adds an extra level of comfort and convenience, ensuring that your cycling adventure on the island of Krk is an unforgettable experience.
