OFFICIAL BIKE SERVICE:

A professional bicycle repairer will, upon request, service bicycles for all competitors at the Krk Granfondo Falkensteiner Punat event, and guarantees that all bicycles will be in perfect condition at all times. Bicycle service during the event is free, but the used material is charged.

EMERGENCY MEDICAL AID:

The participants of the race will be accompanied by emergency vehicles and doctors during the entire route. First aid at the scene of the accident is the sole responsibility of the rescue organization and is free for all participants.

BROOM VEHICLE:

Most likely, some of the participants will not be able to successfully complete the given routes. If by any chance you happen to be one of them, please wait for the "broom" vehicle directly on the route. Participants, as well as bicycles, will be returned to Punat in different vehicles.

TIME LIMIT – GRANFONDO KRK

The control point is located 200 meters before the intersection for Baška and Punat, at kilometer 52 of the race. An official Protime timing point will be set up at this location.

After the leading rider passes the control point, a stopwatch will be started to measure the time gap of all other competitors.

The time limit is 40 minutes behind the leading rider.

Competitors who are within 40 minutes at the control point:

- continue the race towards Baška
- ride the full Granfondo course (80 km)
- are eligible for ranking and a finisher medal
- are supported by a vehicle with a green flag marking the last rider within the time limit

Competitors who exceed the 40-minute limit (i.e. pass the control point after the stopwatch reaches 40 minutes):

- are mandatorily redirected towards the finish in Punat (short course)
- will be ranked behind all competitors who complete the full course (80 km)
- are eligible for a finisher medal (as short course participants)

Competitors who ignore the organizer's instructions and continue towards Baška:

- participate in open traffic at their own risk
- will not be included in the official results
- are not eligible for a finisher medal
- will be marked as OTL (Out of Time Limit)

GENERAL REGULATIONS:

The ROAD technical regulations of HBS and the ROAD UCI regulations and the general rules of the UCI apply to the event. Drivers adopt these propositions at the start of the race and drive at their own risk. The organizer is not responsible for acts committed by the driver towards third parties. The race is run regardless of weather conditions. The organizer reserves the right to change the conditions of the race without prior notice.

COMPLAINS:

According to the regulations, in writing, with a deposit in the amount of 50 euros. For complaints about events during the race - within 15 minutes after the finish. For appeals about the results - within 15 minutes after the results are announced.

BY THE VERY ACT OF APPLICATION, THE CONTESTANT EXPRESSLY DECLARES THAT:

- agrees to compete in the race at his own risk and personal responsibility, and that he is familiar with the rules and regulations of the race and the risks that such a competition contains,
- waives the right to ask the Organizer for compensation for any damage, except for that which could be attributed to the Organizer's intention or gross negligence,
- the organizer will not be held responsible for the possible failure to fulfill their expectations or success in the race
- the organizer will not be liable for any direct or indirect, accidental, immaterial or material damage, losses or expenses of the competitor,
- that he is in adequate psychophysical condition suitable for this type of competition,
- the organizer can use and process the entire filmed and photographic material without any compensation and publicly show and use it for the promotional purposes of the race,
- by the very act of application, waives the right to refute this Statement on any basis.

RULES:

- In the case that a registered participant wishes to cancel their participation in the race, they will not receive a refund, but they can request delivery of the starting package to their home address
- Race organizers will only provide and be responsible for cyclists riding between the main lead car and the rear SAG car.
- Participants who overtake the main leading cars or lag behind the SAG cars at the back, the organizer will not be responsible for them and will not be considered as insured participants of the race.
- No distractions and distractions on the race route: it is forbidden!!! Cyclists are required to dispose of garbage in designated areas on the race route.
- The organizers reserve the right to change or modify cycling routes according to police instructions or due to weather conditions such as floods, fog, rain, strong winds, etc.
- The organizers have the right to check the bikes before the start of the competition. The organizers have the right to prevent a competitor from participating in the event, as well as to terminate their participation during the event without giving an explanation or reason.
- Cyclists are required to stay on the official race route at all times. Shortening or deviating from the designated route of the bicycle race is prohibited.
- Each participant must attend the pre-race briefing. The briefing will be held on April 25 at 09:45 at the start in front of the Falkensteiner Punat hotel.
